

How to Crochet a Leaf

1. 14 ch

2. ss into 2nd ch from hook, then ss to end.

3. 1 ch, then into the back of each stitch:

1 ss into each of the next 4 stitches,

1 dc into each of the next 3 stitches,

1 tr into each of the next 3 stitches,

1 dc into each of the next 2 stitches,

1 ss into the next stitch,

2 ch, then ss into 2nd chain from hook (this forms the point of the leaf).

You should be half way round! Now back down the other side:

1 ss into next stitch,

1 dc into each of the next 2 stitches,

1 tr into 1 ss into each of the next stitches.

Fasten off and weave in ends.
